

Look on the bright side. A friendly wave, a smile shared, the sun has finally shone and colour is back in Winter fashions. Inspired by the introduction of Youngblood Mineral Makeup in to the salon we're taking colour a step further with Shellac the revolutionary manicure. Read on for details.

Shellac Nail Polish

If you love the idea of a manicure but the nail polish doesn't last you'll be captivated by Shellac. Shellac is a salon application polish for your own natural nail. 5 years in development, the first

and best in the industry it dries instantly and looks fantastic for up to 2 weeks. Gorgeous high shine and delectable colours. Healthy nails stay healthy and fragile nails are strengthened.

Simply applying nail polish will make your hands look younger and if age isn't an issue an extra glossy top coat makes all nails look healthier. Book a Shellac appointment now.
